**REQUEST FOR APPROVAL OF DRAWING CHANGES**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicants respectfully request approval of the drawing changes shown in red on the attached drawing copy and the addition of a new drawing. By these changes, applicants wish to amend FIGS. 2 and 3 to conform the drawings to the corresponding disclosures of the specification and related drawings. The new drawing provides better understanding of the corresponding disclosure of the specification. These changes do not introduce new matter into the application and serve merely to preserve consistency between the specification and drawings, as set forth in the accompanying amendment.

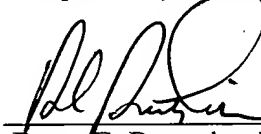

The Examiner is requested to consider and approve the proposed drawing changes in the next Action. A corrected formal drawing will be submitted upon allowance of this application.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to
